C400 & C500

Powerful creations made wonderfully simple

From the inside out the new Classeq Undercounter range combine maximum efficiency, pure lines and the cleaning power to shine bright in the busiest kitchens and bars.

Every machine is WiFi enabled with access to the Classeq online portal, this enables you to remotely monitor every machine in one estate or multiple machines across a venue.

Simple choice.

One model level with all the features you need. Just choose the size, power and optional integral water softener.

Simple set up.

Commissioned on install as a glasswasher or dishwasher in minutes.

Simple use.

Press on. Press wash. Watch the display for notifications and troubleshooting.

Simple cleaning.

Simple click in, click out wash arms, double filtration system, and moulded basket rails all aid simple cleaning.

Simple connectivity.

Wi-Fi enabled with access to the Classeq online portal allowing you to monitor your machines remotely. Helping to maintain performance levels and plan servicing.

Plus, a Bluetooth® app for operators and service technicians providing on-site access to user guides, machine settings, performance data and diagnostics.

Simple servicing.

The repositioning of key parts make servicing and maintenance quicker. Reducing maintenance costs throughout the life of the machine.

Simple. Robust.
CLASSEQ

2 YEAR WARRANTY

One model. Two sizes. Set up on install as a glasswasher or dishwasher.
